 Course Schedule

Friday, 21 August 2009

11.00 – 13.00	registration	
13.00 – 14.00	Gerard van der Geer	Modular forms and moduli spaces I
14.00 – 14.30	coffee/tea break	
14.30 – 15.30	Jean-Benoît Bost	Formal, analytic, and algebraic curves in algebraic varieties over number fields I
15.30 – 16.00	coffee/tea break	
16.00 – 17.00	David Smyth	Birational geometry of the moduli space of curves I

Saturday, 22 August 2009

9.30 – 10.30	Carel Faber	Cohomology of moduli spaces I
10.30 – 11.00	coffee/tea break	
11.00 – 12.00	Jean-Benoît Bost	Formal, analytic, and algebraic curves in algebraic varieties over number fields II
12.00 – 14.30	Lunch break	
14.30 – 15.30	David Smyth	Birational geometry of the moduli space of curves II
15.30 – 16.00	coffee/tea break	
16.00 – 17.00	Gerard van der Geer	Modular forms and moduli spaces II

Sunday, 23 August 2009

9.30 – 10.30	David Smyth	Birational geometry of the moduli space of curves III
10.30 – 11.00	coffee/tea break	
11.00 – 11:45	Fillippo Viviani	Torelli theorem for stable curves
11:45 – 13:45	Lunch break	
13:45 – 14:30	Hisanori Ohashi	Enriques surfaces covered by a fixed K3 surface
14:30 – 15:00	coffee/tea break	
15.00 – 16.00	Carel Faber	Cohomology of moduli spaces II

Monday, 24 August 2009

9.00 – 10.00	Jean-Benoît Bost	Formal, analytic, and algebraic curves in algebraic varieties over number fields III
10.00 – 11.00	coffee/tea break	
11.00 – 12.00	Gerard van der Geer	Modular forms and moduli spaces III
