# MATH+ Dissertation Award 2020

In cooperation with the Einstein Foundation Berlin, the Berlin Mathematical School (BMS) of the Cluster of Excellence MATH+ awards up to three annual prizes for outstanding dissertations.

**Eligibility:**

All BMS graduates who completed their doctorate with a grade of "summa cum laude" and defended between 01 October 2019 and 30 September 2020.

**Selection process:**

Up to three winners are selected annually by the MATH+ Board, based on recommendations of the BMS Committee. Each prize carries a monetary award of 2,000 EUR.

**Nominations:**

Dissertations can be nominated by the PhD supervisor or another MATH+ Faculty

Member. Nominations need to be submitted electronically

to dissertation-prize@mathplus.de

**by 01 September 2021.**

Nominations must include the following documents:

1. Nomination letter: An appraisal of the dissertation addressing the originality, significance, and impact of the research (max. 2 DIN A4 pages).
2. Dissertation Certificate (*Urkunde*) – or preliminary confirmation
3. Dissertation (electronically)
4. Dissertation reports (*Promotionsgutachten*) if possible – permission from the reviewers is necessary!
5. Candidate's CV and list of publications
6. Summary of the dissertation (max. 200 words) for the general public.
