

MATH+ Universis software

BMS Application Portal - Interface for applicants

1. Click on your name in the box “Open tasks” to work on your application.
2. After you have submitted your application, you can check the status of your recommendation letters in the “Full application for Applicant (PDF)” in the box “Reports”.

Anything else that you can click on, such as the plus signs, have no meaning and no effect on your application!

These are unfortunately a current unnecessary feature of the software which cannot be removed this application period. Please simply ignore them.
